

Langley Team Ministry

Langley Parish Prayer Diary

Members of our congregations of the parish are urged to pray for Langley and those who live, work and study in it. To help everyone to do so we produce a prayer diary for every day. Our Prayer Diary will have covered every road in the parish by the end of the year. Roads are covered each week in a specific area in one of the districts of the parish. This Quarter the Prayer Diary covers the impact in Langley of the coronavirus and those who work to alleviate the situation.

This list covers the second quarter of 2020. Please use it to pray for the particular road or location, so that each road or institution and the people resident, working or studying there will be surrounded by a wall of prayer. If on a particular day it is a road in your area, you may wish to walk along the road praying for yourself and your neighbours.
