Langley Parish Prayer Diary

2020 - 4th Quarter

October-December 2020

Please pray for the Parish and for those who live, work and study in it. On every weekday a road in the Parish is covered. On Sundays the prayer diary covers organisations or bodies that operate in, or for the benefit of, the Langley community. This Prayer Diary covers the fourth quarter of 2020. Please use this diary to pray for the particular road, location or organisation.
