Langley Parish Prayer Diary

Members of the congregations of the parish are urged to pray for Langley and those who live, work and study in it. To help everyone to do so we produce a prayer diary for each day. Our Prayer Diary for 2021 will again have covered every road in the parish by the end of November. Roads are covered each week in a specific area, covering in successive weeks roads in each district of the parish.

On Sundays the Prayer Diary covers institutions or bodies within, or linked to, Langley

This list covers the third quarter of 2021. Please use it to pray for the particular road or location, so that each road or institution and the people resident, working or studying there will be surrounded by a wall of prayer. Each road is prayed for at our morning Prayer Meeting. If on a particular day it is a road in your area, you may wish to walk along the road praying for yourself and your neighbours.
